- Properly label all products and equipment to conform to all legal and safety regulations
- Properly and accurately record all necessary data to produce assigned cutting yield tests
- Accurately count product inventory levels and maintain levels set forth by the supervisor
- Ensure that all product specifications are being met according to guidelines
- Maintain work areas in compliance with USDA guidelines
- Assemble and tear down any equipment in the work area at the beginning or end of your shift
- Properly and thoroughly sanitize all equipment as well as the processing area to Callahan Meats standards and USDA requirements as instructed by management
- Manage profitability by achieving product yields and meeting deadlines for product readiness
- Complete other duties as assigned
- To know and understand the company's safety, sanitation and health plan and its objectives. Assist the company in achieving these goals by participating in the safe work practices
- To help develop and follow all safe work practices
- To report all accidents, injuries or illnesses to my supervisor immediately

- Ability to perform mathematical calculations and conversions to determine the amounts and sizes of products needed for orders
- Ability to read, write and communicate in the English language

Skills and Knowledge:

- Ability to adjust to sudden changes in customer demands or operational goals
- Commitment to work until the job is completed
- Interacts well with others
- Good team player
- Results-oriented
